

## IFPUG CFPS Exam

Melbourne, 13th November 2008

Please reply by 30th September 2008

Is it time for you to sit the CFPS Exam? Here's the perfect opportunity to maximise your trip to ACOSM 2008, November 14, 2008 in Melbourne.

Whilst we won't be hosting a paper based CFPS exam at the conference there are 4 convenient Prometric testing sites in the Melbourne area where you can take the automated CFPS exam before the conference.

We would like to organise a special exam session with Prometric on the Thursday 13th, the day before ACOSM 2008 for QESP members to attend, so we need to know how many people would like to sit their CFPS exam with other QESP members. Please let us know if you are interested. QESP will be hosting a cocktail session early evening after the exam for all ACOSM participants and the QESP exam participants.

If you want to know more login into the Prometric website (<https://www.register.prometric.com/login.asp> )

Please respond to [info@qesp.org.au](mailto:info@qesp.org.au) by 30<sup>th</sup> September if you are interested in attending the special November 13<sup>th</sup> session of the exam.

Frequently asked questions:

Question	Response
What is this CFPS automation about?	With the increasing number of CFPS exams being administered it has become necessary and desirable to automate the exam. The benefits expected include: Quicker notification of the exam results to the candidates Greater flexibility in candidates scheduling exams at their convenience Since the exams will not need to be graded manually there will be a reduced time commitment from the Certification Committee Greater availability of local exam locations
Where is the exam available in Australia?	There are 40 test centres available in capital cities and regional areas. Check the Prometric website (see link below) for the latest details. To locate the appropriate test site, go to this site: <a href="https://www.register.prometric.com/login.asp">https://www.register.prometric.com/login.asp</a> Select "Locate A Test Site" from the left hand menu. Follow the prompts to select the Client "International Function Point User Group" and Program "International Function Point User Group" and follow the prompts.
How do I register for the automated CFPS exam?	<a href="https://www.register.prometric.com/login.asp">https://www.register.prometric.com/login.asp</a> Follow the prompts to schedule an appointment
What is the price?	As a 4/8/08 current exchange rates, the CFPS automated exam is available for \$266. As the exam is nominally being run from the US, no GST is applicable.
What currency will I be charged?	When registering for the exam, the "AUD" currency option should be selected.
Do I need to pre-register for the exam?	No notice is required for the exam. You will be required to schedule an appointment to attend.
Can I attend the exam at home, or office?	No, you need to physically attend one of the nominated test sites
How do I contact the test organisers?	Prometrics contact number is 1300 728 208 Quote the following exam id - I40-420
